

# WebWhip™

## LONG-RANGE Wi-Fi RECEIVER

### Product Number: WiFi-2

Stay connected to the world of information where ever you go. Increase the coverage of public hotspots with the WebWhip™, our fully integrated Wi-Fi antenna, receiver and router, for hassle-free internet reception on your boat, RV, cabin or AnyWhere® else. Access the internet directly through Ethernet or wirelessly, by connecting WebWhip to any standard wireless router. Manage the network without any software installation through any device with a web browser. Simple, powerful, AnyWhere. The enclosed metal design provides enhanced durability and water resistance.

Kit Includes:  
Receiver, Antenna, Power Injector, 25' (7.62m) Ethernet cable,  
DC Power Cord, AC Power Adapter, Mounting Kit  
(Mounting Rail size 7/8in - 2in [2.22cm - 5.08cm])

#### Features:

- 28dBm receiver
- Built-in router
- Works with normal wireless router
- Power over Ethernet (PoE)
- Fully plug and play
- Web-based device management
- IPX5 waterproof rating<sup>1</sup>

#### Benefits:

- Long range Wi-Fi reception on land or water
- Connect straight to your computer through an Ethernet cable
- Easy to create local Wi-Fi hotspot with any standard wireless router
- Single wire for power and data. No power consumed from connected device
- Simple, intuitive set-up and operation. No software installation required
- Manage device easily on any device with an internet browser
- Can be permanently installed. Improved resistance to water sprays

<sup>1</sup>When installed as instructed. Must not be installed where it may be subject to water submerging.

### TECHNICAL SPECIFICATIONS

Product Number: WiFi-2

|                                  |   |
|----------------------------------|---|
| Frequency and Wireless Standards | 2.4GHz, 802.11 b/g/n                            |
| Radio Power                      | Up to 28dBm                                     |
| Antenna Gain                     | 5dB   |
| Range                            | Up to 7 Miles <sup>2</sup>                      |
| Throughput                       | 100+ Mbps                                       |
| Wire                             | 25ft (7.62m) Ethernet cable                     |
| Connectors                       | N-Female (Antenna), Ethernet (Device)           |
| Power Supply & Consumption       | 12VDC & 110/230VAC, 600mA Max at 12VDC          |
| Wireless Approvals               | FCC Part 15.247, IC RS210, CE                   |
| RoHS Compliant                   | Yes   |
| Dimensions                       | 20in x 3.1in x 1.5in (50.8cm x 7.87cm x 3.81cm) |
| Kit Weight                       | 43.4oz (1230.3g)                                |
| FCC ID (USA)                     | SWX-M2B   |

<sup>2</sup>Range may increase or decrease depending on factors like hotspot strength and obstacles in line of sight.
